ADVENTURE FILM CLUB

Berg (12A)

Friday 2 – Thursday 8 June

Dir. Joke Olthaar, Netherlands, 2021, 79 mins, Czech with English subtitles.

Berg follows the stories of the stones, rocks and peaks of a vast mountain landscape. Stark black and white images and a minimalistic soundtrack draw the viewer into a vibrant, intense, cinematic experience. Following the journey of three hikers, against rising and hanging fog, thunderstorm and falling rain, we experience first-hand the overwhelming power of nature and the insignificance of man within it.

RESTORED CLASSIC

Local Hero (PG)

Friday 2 – Thursday 8 June

Dir. Bill Forsyth, UK, 1983, 111 mins. Cast. Burt Lancaster, Peter Riegert, Fulton Mackay.

Bill Forsyth's timeless, emotionally stirring fish-out-of-water comedy follows the placement of American oil company representative Mac in a remote Scottish village. He has been sent to Scotland to buy up an entire village for the site of a new refinery. There, he finds cheerful future millionaires, awesome Northern Lights, a lusty innkeeper, a stubborn beachcomber and a mermaid with webbed toes.

Master Gardener (15)

Friday 9 – Thursday 15 June

Dir. Paul Schrader, US, 2022, 111 mins. Cast. Sigourney Weaver, Joel Edgerton, Quintessa Swindell.

A potent tale of a man tormented by his past as a white supremacist gun-for-hire, which captures the racial tensions of contemporary America. Narvel Roth is the meticulous horticulturist of Gracewood Gardens. However, chaos enters his quiet existence when Mrs Haverhill demands that he take on her wayward and troubled great-niece as a new apprentice, unlocking dark secrets from a buried and violent past that threaten them all.

**The Eight Mountains**

(12)

Sat 17 – Wed 21 June

Dir. Felix van Groenigen, Charlotte Vandermeersch, Italy, 2023, 147 mins, Italian with English subtitles. Cast. Luca Marinelli, Alessandro Borghi, Lupu Barbiero.

In a secluded village in the mountains of Italy, an unlikely brotherhood forms between two young boys: Pietro, a boy from the city, and Bruno, who has only ever known life in the mountains. Over the years Bruno remains faithful to his home while Pietro aspires to greater heights. As decades pass and the two grow up, their paths ultimately lead them back to where they first met – and back to each other.

RESTORED CLASSIC

The Wicker Man (15)

Friday 23 – Wednesday 28 June

Dir. Robin Hardy, UK, 1973, 94 mins. Cast. Edward Woodward, Christopher Lee, Brit Eklund.

In the 50 years since its original release, *The Wicker Man* has achieved true cult status as one of the most revered horror films in cinema history. Telling the chilling story of a puritan Police Sergeant who arrives on a remote Scottish Island in search of a missing girl only to find the Pagan locals claiming she never existed, *The Wicker Man* is also much celebrated for its soundtrack, featuring haunting reworkings of traditional British folk songs.

Return to Seoul (15)

Friday 9 – Thursday 15 June

Dir. Davy Chou, France/South Korea, 2022, 119 mins, French, Korean with English subtitles. Cast. Park Ji-min, Oh Kwang-rok, Guka Han.

Freddie was adopted when she was very young, born in South Korea and raised in France. She's magnetic, spirited and hard to pin down; never in one place, or with one person, for long enough to get attached. At 25 years old, Freddie makes an impulsive decision to visit Seoul for the first time since her adoption, in an attempt to reconnect with her biological parents and the culture she had to leave behind.

**Under the Fig Trees**

(12A)

Friday 16 – Thursday 22 June

Dir. Erige Sehiri, Tunisia, 2021, 92 mins, Arabic with English subtitles. Cast. Abdelhak Mrabti, Fedi Ben Achour, Gaith Mendassi.

Set in north-west Tunisia and played by non-professional actors, a group of young people are hired to help with the harvest of figs during their summer school break. Through snippets of conversation here, sudden tiffs there, and amorous glances over there, director Erige Sehiri spins a yarn that carefully and delicately unspools over the course of her film.

**The Old Man Movie: Lactopalypse** (15)

Friday 16 – Thursday 22 June

Dir. Mikk Mägi, Oskar Lehema, Estonia, 2022, 88 mins, Estonian with English subtitles. Cast. Mart Avandi, Reido Blond, Meriyn Elge.

In a remote Estonian village, three children are forced to spend the summer on their grandfather's farm. Determined to make them see the simple beauty of country living, he sets them to work, only to have them accidentally set loose his prized but thoroughly mistreated cow. Now they have only 24 hours to find and milk the rogue bovine before its expanding udders explode and unleash the Lactopalypse.

Reality (12A)

Saturday 24 – Thursday 29 June

Dir. Tina Satter, US, 2022, 83 mins. Cast. Sydney Sweeney, Marchant Davis, John Way.

Reality Winner was a former American intelligence specialist. She was given the longest sentence ever for the unauthorized release of government information to the media for leaking an intelligence report about Russian interference in the 2016 United States elections via an email phishing operation. This is a brilliant chamber piece focusing on her interrogation.
